Subject: Coeliac Awareness Week

Heads of Schools are kindly asked to bring this circular to the attention of members of the school community.

May is the month dedicated to coeliac awareness. In fact, Monday 16th May marks International Coeliac Day. The Coeliac Association Malta together with other stakeholders will be organising a gluten and lactose free awareness week between Monday 16th and Sunday 22nd of May 2022. The aim of this week is to raise awareness of the Coeliac condition, gluten, and lactose intolerances.

This circular and the attached brochure featuring information about the coeliac condition are being distributed to schools by the Directorate for Learning and Assessment Programmes on behalf of the Coeliac Association.

For further information, contact the Coeliac Association Malta - info@coeliacassociationmalta.org

Thank you for your co-operation.
