The National Literacy Agency would like to announce that the initiative ‘Reading Stars’ will continue throughout the summer months. The closing date is the **1st of September 2022**. This initiative rewards children and adolescents who are passionate about reading and would like to share this love with others. *Reading Stars* is sponsored by Merlin Library.

Students who love to read at school, at home, or in other places during their free time are invited to participate in the ***I am a Reading Star*** competition. They can show us how much they love reading by doing one or more of the following:

- Write about why they like their favourite book or author
- Draw a picture from their favourite book or their favourite character/s
- Create a short video clip to tell us about their favourite book or author
- Describe their favourite reading spot and send us pictures of this special reading nook
- Make a short video clip to act out a scene from their favourite book
- Surprise us with their creativity!

The parent consent form may be accessed via the following links:
