03rd October 2021

Dear parents / guardians of Kinder 1 students

Welcome to scholastic year 2022/2023. We give a warm welcome on-board to the parents and children in Kinder 1, who are newly enrolled with the College. We will strive to make their journey meaningful and enjoyable.

St Clare College, in collaboration with the Education Officer in charge of Early Years within the Ministry of Education will be organizing **two meetings** for parents/guardians of children in **Kinder 1**.

The aim of such meetings is that of sharing with you the new methodology and pedagogy used in the Early Years classes, whereby the Emergent Curriculum is put into practice. By following these meetings, the parent/guardian will be better skilled and thus in a better position to work hand-in-hand with the Kindergarten educators for the benefit of the child.

During the meetings, a time for questions and clarifications will also be allotted.

How can I help my child to learn.
