- Please make sure to LABEL everything with the student's name & surname, **except the cardboards.**
 - It is **imperative** to buy all the things and bring them to school on the **first day of school.**
- **All labels** need to be stuck and labelled onto all stationery **before** they are brought to school.
- At the beginning of the scholastic year, we may collect some money to print booklets.

Until we meet in September, I hope you will have a relaxing time! 😊
